Mr. Ellis Cohn,
535 So. Spring Street,
Los Angeles, Cal.

Dear Ellis:

Thanks heartily. I have filed your orders, including that for Mr. E. B. Guesta; and you shall have the books as soon as they come from the printers; which will be in a few weeks.

I enclose more order blanks, as you suggest. I have great confidence in your judgment; and it seems to be borne out in this case. Already, in less than two weeks the orders sent in in advance of publication amount to nearly 400 of the first edition of 1,000 - which begins to look as if I'd have to double the edition before it is printed.

I hope the Old Timers especially will be interested in this sort of thing - as it seems to me they ought to be.

With best wishes,

Always your Friend,

CFL/R
Encs.
